

Purpose

1. To provide Members of the Committee with information requested at previous meetings.

Information

2. John Slater, Service Director – Learning and Achievement Young Children and Young People’s Services attended the meeting on 1 February 2010 and discussed GCSE attainment. Members requested additional information regarding the data for the gender of pupils in Nottinghamshire schools. The table attached as appendix 1 shows the pupil numbers on the school roll in 2000 compared to 2009 by gender and national curriculum year.

Recommendations

3. It is recommended that the Education Standing Committee:
 - note the information and agree if further information or clarification is required.
